- Special facts about the surah
- The Arabic verses of the surah
- The transliteration of each ayah (verse) to assist non-Arabic speakers in correct pronunciation
- The translation of each ayah
- Simplified Tafseer for each ayah
- Opportunities for students to draw and express their ideas
- Highlighted vocabulary
- A one sentence summary of what the surah is about
- And a review section at the end of each book

The content of this series is based on the Tafseer of Ibn Kathir and the Yusuf Ali translation of the Qur'aan.
